

The SAMSON logo, consisting of the word "SAMSON" in white, uppercase, sans-serif font, centered within a black circle. This circle is itself centered within a white square with a thin black border.

SAMSON FRANCE

A high-tech production site

The logo consists of the word "SAMSON" in a white, sans-serif font, centered within a solid black circle. This circle is itself centered within a white square frame.A circular inset image showing a white logistics robot with a grey top section, moving through a factory aisle. The floor is highly reflective, and the background shows industrial shelving and equipment.

SMART & FLEXIBLE FACTORY

A circular inset image showing a close-up of a bright yellow industrial robotic arm. The arm is positioned horizontally, and its gripper mechanism is visible, holding a small red component. The background is a blurred factory environment.

Over 30 machine tools in operation
in the production facilities

A circular inset image showing a long, well-lit warehouse aisle. High industrial shelving units line both sides, filled with various boxes and materials. In the foreground, a wooden pallet is in motion, creating a horizontal blur effect.

Logistics robot

PERFORMANCE

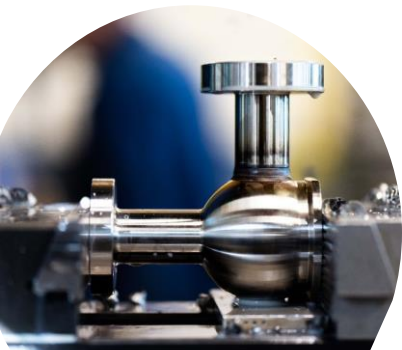

CENTER OF COMPETENCE FOR

Food & Pharma Valves

- Hygienic valves
- Aseptic valves
- Self-operated Regulators

Industrial Valves

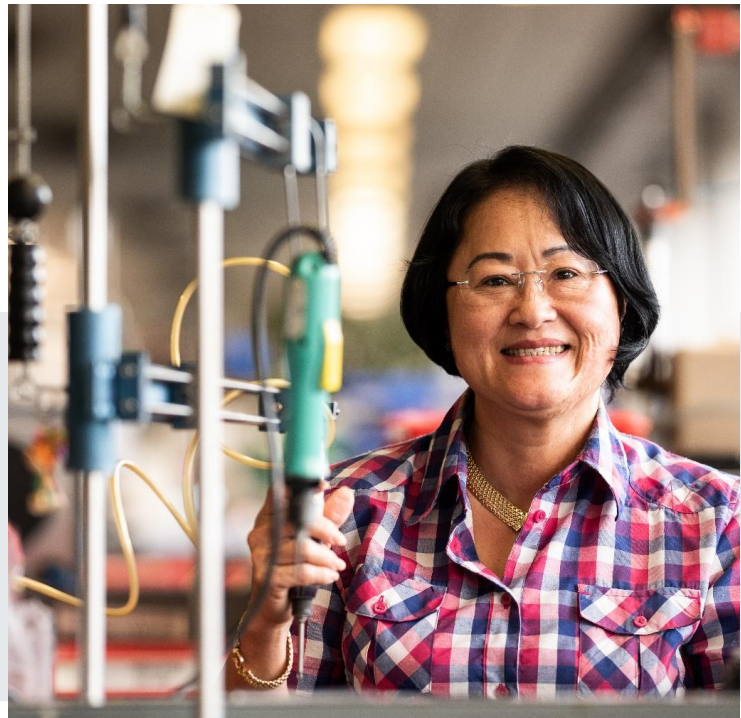

- Rotary Valves
- On-Off Valves
- High-Pressure Valves

PERFORMANCE

CENTER OF COMPETENCE FOR

SOLENOID VALVES

ACCESSORIES

Reversing
amplifier

Quick Exhaust
Valve

Supply Pressure
Regulator

Pneumatic
Lock-up Valve
